

A special thanks to Robertson's Palmdale Honda – Ron and Yvette Emard for putting together a special fundraising event during the holidays for our agency ...

Santa Ed, owner of The Trap, makes Christmas just a little brighter for the children in our programs. Over the holidays he made a special appearance at the shelter and saw approximately 250 children.

Santa Ed always comes with candy canes and smiles.

Families from the shelter were bused to the hall for the annual event, which started 10 years ago. The toys came from the CHiPs for Kids program of the California Highway Patrol, the hall was provided by the Knights of Columbus and transportation was donated by Student Transportation of America in Palmdale. The ham and turkey holiday dinner was provided by CHP officers and their families. The children got to sing carols, visit with Santa, receive Christmas gifts and make their own teddy bears. The bears were donated by the station's senior volunteers and All About Baskets and Bears in Palmdale.
