

Thrift Shoppe is open Tuesday - Saturday from 10 a.m. until 6 p.m. Our store operates solely on donations from our community members. Items are donated and resold to the general public.

We are proud to say that all of the money made from the sale of merchandise is used for items not covered in our grants for our residents and clients.

Residents in our emergency shelter receive merchandise at “no-cost” for things they need. The items can range from clothing to furniture for household establishment. All other residents and clients receive merchandise at a discounted rate, which teaches them living skills and budgeting techniques.

In addition to providing much needed items for our residents, our boutique is the home of our Learning Independence program. Individuals currently participating in one of our programs are taught the basics of work ethics, customer service and proper interaction with others. In addition, clients will be able to interact with customers to build their self-esteem, work directly with staff to learn basic retail experience, customer service techniques, small business management, profit enhancements, graphic art design, purchase order requesting, proper documentation, telephone etiquette, and handling of money.

By teaching clients the basic day-to-day tools in the workplace this will allow them to further their career opportunity and use the tools that have been taught to them so they may continue improving their quality of life.

The staff also works closely with the Volunteer Center of Los Angeles and the local courts to assist community members that have been assigned community service hours. Because of the nature of our business, our boutique will not accept individuals that have been convicted of a violent crime or domestic violence.

In addition we offer the following:

- Specials at the Thrift Shoppe
- Senior discounts
- Monthly raffles
- Donations accepted during normal business hours: Tuesday – Saturday 10:00 a.m. to 6:00 p.m.
- Friendly staff and clean store
